INTRODUCTION

After the passing away of Sri Ramakrishna Paramahamsa Deva, the Prophet of harmony of all religions and philosophical faiths, in 1886, his Sanyasin disciples headed by Swami Vivekananda organised a monastic Order named Sri Ramakrishna Math at Baranagore near Calcutta. The Ramakrishna Mission was started by the great Swamiji in 1897 after his return from the West, to carry on missionary and philanthropic activities serving humanity irrespective of caste, creed or nationality. The Math was transferred to its present home in Belur in 1899. In 1909 the Ramakrishna Mission was registered under Act XXI of Societies Registration Act, 1860, which gave a legal status to the Association.

Though the Ramakrishna Math and the Ramakrishna Mission with their respective branches, are distinct institutions, they are closely related inasmuch as the Governing Body of the Mission is made up of the Trustees of the Math. The principal workers of the Mission are members of the Ramakrishna Math, and both have their Headquarters at the Belur Math. The name 'Ramakrishna Mission' is, however, loosely associated by people with all Math activities also.

It is necessary to point out that the appropriation of the name of Sri Ramakrishna or Swami Vivekananda by any institution does not necessarily imply that it is controlled by the Central Organisation at Belur.

The clarion call of Bhagavan Sri Ramakrishna "Jiva is Shiva (man is Divine), who can show mercy on Him ? No mercy but service by looking upon man as God" sounded and resounded in Swami Vivekananda's mind and heart to give birth to practical Vedanta when Swamiji declared in his thundering voice :

Dr. Urmila Sharma Collection, Varanasi

From highest Brahman to the yonder worm,
And to the very minutest atom,
Everywhere is the same God, the All-Love;
Friend, offer mind, soul, body, at their feet.

These are His manifold forms before thee,
Rejecting them, where seekest thou for God ?
Who loves all beings, without distinction,
He indeed is worshipping best his God.

The Ramakrishna Mission Home of Service, Varanasi

The Ramakrishna Mission Association was formed by the patriot Saint of India to apply the noble principle of serving humanity. His worthy disciple Swami Shubhananda took the 'cue' from his great Guru and started in Varanasi the "Poor Men's Relief Association" in 1900 with a capital of four annas (now 25 paise). The small seed sown by him gradually germinated. Thanks to the favour of the generous public, it took root in the holy soil of the sacred city with help coming forward even unasked for to take the shape of the 'Home of Service' as fondly named by Swami Vivekananda and blessed by Mother Sarada Devi, the holy consort of Bhagavan Sri Ramakrishna Paramahamsa Deva. The Home was formally affiliated to the Ramakrishna Mission as one of its branches in 1902. The germinated seed grew into a sapling, and, with the grace of the Lord of Universe and blessings of the founder-members of the Ramakrishna Mission, gradually has grown into a full-fledged tree giving its fruits and shade to the afflicted, distressed and destitute.

AIMS AND OBJECTS

The aims and objects of the Home are as follows :

1. To render selfless service as means to purification of mind which leads to spiritual realisation.

2. To look upon all men, women and children, irrespective of caste, creed, colour or nationality as the veritable manifestation of the Lord as taught by Sri Ramakrishna and worship them as such by trying to remove their wants and sufferings.

Dr. Urmila Sharma Collection, Varanasi

CC0. In Public Domain, Digitizagtion by eGangotri

3. To serve those who have none to help when dark days of disease, old age and starvation overtake them and make them feel the want of a friendly hand more than ever before.

4. To give all possible relief to the destitute lying in the streets and bathing ghats by admitting them into the Home and giving them medical aids, diet etc. till their recovery.

5. To help the diseased by sending them to other hospitals in case of want of accommodation in the Home.

6. To help the old, infirm and disabled persons reduced to extreme poverty by the following ways :

(*a*) Sending pecuniary help to their houses.

(*b*) Giving them shelter and food in the Home when they are incapable of looking after themselves.

(*c*) Providing cremation for those who happen to die in the Home without any means.

AN APPEAL BY SWAMI VIVEKANANDA

* * * *

In other places people go to purify themselves from sin, and their connection with these places is casual and of a few days' duration. In this, the most ancient and living centre of Aryan religious activity there come men and women, and as a rule old and decrepit, 'waiting to pass' unto Eternal freedom, through the greatest of all sanctifications, death, under the shadow of the temple of the Lord of the Universe.

And then there are those who have renounced everything for the good of the world, and have forever lost the helping hands of their own flesh and blood, and childhood's association.

They too are overtaken by the common lot of humanity, physical evil in the form of disease.

* * * *

Do we want to keep up the faith of our forefathers in the efficacy of the Eternal City of Shiva towards salvation ?

If we do, we ought to be glad to see the number of those increase from year to year, who come here to die.

Dr. Urmila Sharma Collection, Varanasi

CC0. In Public Domain, Digitizagtion by eGangotri

And blessed be the name of the Lord that the poor have this eager desire for salvation, the same as ever.

The poor who come here to die have voluntarily cut themselves off from any help they could have received in the places of their birth, and when disease overtakes them, their condition we leave to your imagination and to your conscience as a Hindu, to feel and rectify.

Brother, does it not make you pause and think of the marvellous attraction of this wonderful place of preparation for final rest ? Does it not strike you with a mysterious sense of awe, this age-old and never-ending stream of pilgrims marching to salvation through death ?

If it does, come and lend us a helping hand.

Never mind if your contribution is only a mite, your help only a little; blades of grass united into a rope will hold in confinement the maddest of elephants, says the old proverb.

Ever yours in the Lord of the Universe,

Vivekananda (*Feb.* 1902)

THE SEVENTIETH ANNUAL REPORT

The Managing Committee of the Ramakrishna Mission Home of Service, Luxa, Varanasi, have great pleasure in placing before the public the report of the activities of the institution for the year 1970-71;

The activities during the year under review were as follows:—

Indoor General Hospital :

The total number of cases admitted during 1970 was 2,935. Of these 1717 cases were cured, 744 relieved, 208 were discharged otherwise, 156 died and 110 remained at the end of the year. The total number of Surgical cases in the Indoor Hospital was 1329. The total number of ghat and roadside cases was 31. The daily average number of beds occupied was 100.

Construction of the new Operation Theatres-cum-Surgical block with 16 cabins, started in 1968 and costing over Rs. 5 lakhs, was nearing completion.

Outpatients' Department :

The total number of new patients treated at this department (including Shivala Branch) during 1970 was 48,565 and that of repeated cases were 1,18,639. The daily average attendance was 458. The total number of surgical cases during the year was 9,804 and the number of injections including indoor was 44,719.

Homoeopathy :

The Homoeopathic sections of the Home of Service at Luxa and at Shivala served a number of patients attended by 5 Homoeopaths.

X-Ray and Electro-Therapy Department:

The number of cases examined in the X-ray department during the year 1970 was as follows :

Chest 863, Bones 307, Urinary Bladder 17, Chole-cystography and Pyelography 26, G. I. Tract 29 and Fluoroscopy 122. A few patients were given electro-therapy treatment.

Medical Staff :

The medical staff consists of honorary and paid qualified medical officers, but for whose services the work could not have been carried on efficiently. To all of them the management is very much indebted for their ungrudging and valuable services.

Nursing Staff :

Here in this Home the work of nursing etc., is being carried on by the monastic and lay members of the Mission who have

Dr. Urmila Sharma Collection, Varanasi

dedicated their lives to this noble cause as also by some qualified paid hands.

Invalids' Homes :

The two Invalids' Homes for helpless old invalid men and women maintained 23 men and 34 women. The men comprised mostly of old retired monks of the Ramakrishna Order, who, having served the Ramakrishna Math and Mission for long years, have come to spend their last days in the holy Varanasi. The women were helpless poor widows who had none to look after them.

The cost of maintenance having spiralled up in recent years and sufficient donations not forthcoming, have brought the institution to a difficult financial situation, and it may be mentioned here that a deficit of Rs. 32,869.62 P. accumulated during the last few years has been incurred in our earnest effort to maintain the old invalids. The Income on the above account during the year under report was Rs. 51,514.41 P. and the Expenditure was Rs. 51,849.40 P.

Outdoor Relief to the Poor :

Monthly pecuniary help was given to 56 poor invalids and helpless ladies and the total expenditure was Rs. 1,937.00. Besides, 141 cotton blankets worth Rs. 850.00 were distributed among the needy. The institution could serve only a very small number of the poorer section of Varanasi due to paucity of funds.

Guest House :

The Home of Service has a guest house. Sympathisers and well-wishers of the institution can have accommodation by writing in advance and getting permission from the Secretary.

Library :

The small Library had 2,735 books and the reading room had 3 dailies and 25 periodicals. The following papers and periodicals were received as free gifts :

Dailies : Aj (Hindi), Northern India Patrika (English).

Dr. Urmila Sharma Collection, Varanasi

CC0. In Public Domain, Digitizagtion by eGangotri

Periodicals in Hindi : Kalyan, Yoga Vedanta, Vivek Jyoti, Dharmadut and Samiti. *In Bengali* : Udbodhan, and Homoeopathic Chikitsa. *In English* : Prabuddha Bharata, Vedanta Kesari, Bulletin of the Ramakrishna Mission Institute of Culture, Vedanta and the West, Vedanta for East and West, Sai Sudha, Divine Life, The Call Divine, Tapovan Prasad, Meera, German News, Span, Voice of Heaven, Theosophical Review, Theosophical Movement, Homocopathic Herald and Homoeopathic Bulletin.

Goshala :

The Home maintained a small goshala (dairy). But the milk produced did not even serve one third of the requirement of the Hospital. The need for improving the dairy is great and adequate funds are required for purchase of cows to supply sufficient milk for the patients and inmates of the Home.

FINANCES

The income during the year under review was Rs. 3,98,632.42 P. and the expenditure Rs. 4,55,700.50 P. the deficit balance for the year being Rs. 57,068.08 P. Adding this to the accumulated deficits of the previous years, the Home has incurred a total deficit of Rs. 1,51,846.92 P. as on 31st March, 1971, as shown in the Surplus an Deficit Account in the Accounts portion of this report. Needless to mention, this has been caused due to the steep rising of prices of all commodities and want of commensurate increase in public donations during the past years.

THANKS

The Managing Committee takes this opportunity to convey its sincere and grateful thanks to the Central and State Governments, the Central Social Welfare Board, Varanasi Nagar Mahapalika, all donors, doctors, local Printing presses, friends and sympathisers for their generous and ungrudging help towards the maintenance and advancement of this institution but for whose help, service and co-operation, it would not have been possible for the management to carry on the activities efficiently.

IMMEDIATE NEEDS

The Ramakrishna Mission Home of Service (Charitable Hospital), Varanasi is a philanthropic institution giving medical, surgical and pecuniary aid to every one irrespective of caste, creed or nationality for the last 71 years in this holy city. But its existence depends mainly on the generosity and support of the sympathetic public. The following are our immediate needs :

1. Funds for maintenance of the 150 beded hospital with its various departments.

2. Endowments for beds : Out of the 150 beds only a few beds have been endowed. The cost of endowment for a single bed is Rs. 25,000/- but donors may perpetuate the memories of their near and dear ones by making partial endowments of Rs. 10,000/- or Rs. 5,000/-, which will be thankfully accepted.

3. Endowments for the Invalids' Homes : To help the Institution maintain the old invalid men and women similar endowments are essential.

4. To meet the accumulated deficit. Rs. 1,51,846.92 P.

5. The steady growth of the institution has necessitated appointment of more qualified Doctors, Nurses and other Staff for whom residential quarters have to be provided : For this a sum of Rs. 5,00,000/- will be necessary.

6. The present dairy requires immediate improvements to serve the patients with sufficient milk. More cows have to be purchased and sheds erected for which a sum of Rs. 50,000/- is essential.

Contributions large or small in cash or kind, will be thankfully received and acknowledged by the Secretary, Ramakrishna Mission Home of Service, Varanasi-1, and they are exempted from payment of Income-tax on donations to the Ramakrishna Mission centres under section 80 G of the 1961 Act.

VISITOR'S REMARKS

Paid a visit to Ramakrishna Mission Home of Service today. It was a privilege to be in an institution where excellent social service work is being done. The Hospital is very popular. The Home for the Invalids, both for men and women is rendering help to hapless destitute persons. I wish I could come to such institutions oftener to get inspiration for promoting such selfless work elsewhere where need is great but facilities are not available. I am thankful to the authorities of the Home who kindly showed me round.

I was deeply impressed to visit the different sections of the Varanasi R. K. Mission Hospital and its working. The deep sense of service with which the patients are being looked after is commendable. The facilities of laboratory and other diagnostic means available are of very high order and the work done in different specialities, are indeed on modern lines. I take this opportuinty of conveying my respects and thanks to all the workers.

Auditors' Report :—

We have audited the Balance Sheet of the Ramakrishna Mission Home of Service, Varanasi as at 31st March, 1971 and the accompanying Income and Expenditure Account for the year ended on that date along with relevant subsidiary funds for the year ended on that date with books, vouchers and other necessary papers etc. and have to report that we have received all the information and explanations we required. In our opinion the above mentioned accounts are in agreement with the books of account which, so far as appears from our examination of those books have been properly maintained by the institution.

We certify that the said Balance Sheet and the Income and Expenditure Account have been drawn correctly and the balance sheet exhibits a true and correct view of the institution's affairs as at 31st March, 1971, to the best of our information and according to explanations given to us.

"Where should you go to seek for God ? Are not all the poor, the miserable, the weak gods ? Why not worship them first ? Why go to dig a well on the shores of the Ganga ? Let these people be your God—think of them, work for them, pray for them incessantly—the Lord will show you the way".
